Thank You

This letter serves to place on record our sincere thanks and gratitude for your kind generosity extended to the Himalaya Secondary School for giving us 40GB of data.

We believe that through your thoughtfulness and kindness, we as a school will be able to continue to develop the learners in a holistic manner.

We trust that through your gesture we will be able to build on the relationship that currently exists between Pheli FM.

Thank you once again for your kind generosity.

Yours Sincerely
