Dear Huge Connect (Pty) Ltd,

Some moments make us truly appreciate the kindness around us... this is one of them.

On behalf of all of us at Smile Foundation, we would like to say a huge thank you for the total amount of **R 89,829.60** donated in-kind over the period **01 Mar 2025 - 01 Mar 2026**. Your generosity is more than just a donation, it's a life-changing gift that brings hope, confidence and most importantly smiles to children who need them most. And because of you a family will find comfort knowing their little one has a brighter future.

Every smile tells a story and now you are part of that story. Thank you for believing in our mission and for helping us spread happiness one child at a time.

With heartfelt appreciation.

Yours sincerely,
